

Business Consultation Services Resource Hub

Welcome to the Business Consultation Services Resource Hub at Lion Business Services. Here, we provide expert guidance and advice tailored to both aspiring entrepreneurs and established business owners. Whether you're just starting out or seeking ways to enhance your existing business, our consultation services are designed to offer the insights and strategies you need for success.

The Value of Professional Business Consultation

Why Consultation Matters: Having expert guidance is crucial in making informed decisions, whether you're starting a new venture or navigating challenges in your current business. Our consultations can provide clarity, direction, and innovative solutions to help you achieve your business goals.

Our Consultation Services and Rates

ITIN or Minor Issue Consultation: \$50 per hour for assistance with ITIN applications or addressing minor business issues.

Business Questions and Advisory: \$100 per hour for comprehensive advice on general business operations, strategy, and management.

Business Research Consultation: \$200 per hour for in-depth research and analysis, providing you with detailed insights and strategies tailored to your specific business needs.

Why Choose Lion Business Services for Consultation

Expert Knowledge: Our team of consultants brings a wealth of experience and specialized knowledge to each session.

Personalized Approach: We understand that every business is unique. Our consultations are customized to address your specific challenges and objectives.

Strategic Insights: We provide actionable strategies and solutions that can transform your business operations, leading to improved performance and growth.

Getting Started

To schedule a consultation, simply contact us with a brief overview of your needs. We'll match you with the appropriate consultant to ensure you receive the best possible advice.
